Mr. Rick Grigg
Stel Salaried Pensioners Organization
2-558 Upper Gage Ave., Suite 146
Hamilton, ON L8V 4J6

Dear Mr. Grigg:

I would like to take this opportunity to thank you for recently visiting my office to inform me about the Stel Salaried Pensioners Organization.

The package of information that you left with me was very helpful and does a great job to explain the situation your organization currently faces due in large part to Regulation 5.1 of the Ontario Pension Benefits Act.

As a result of our meeting, I have written a letter to the Minister of Finance, Greg Sorbara. I trust that he will respond to you in timely manner.

Please do not hesitate to contact me if you believe I may be of further assistance. Once again, I thank you and look forward to working with you in the future.

Sincerely,

A handwritten signature in black ink that reads "Toby Barrett".
